

# SKAILO Blanc 01

Our SKAILO quality is an artificial leather developed to be a print support. Its leather look is finely textured, its polyester/cotton textile base gives it flexibility. This reference is ideal for making headboards, seats and poufs thanks to its flexibility and good performance in terms of abrasion resistance. The SKAILO is customizable thanks to our new direct printing technology, dedicated to the treatment of this type of support, this technique guarantees an optimal definition of the patterns and the colors.
